

FISCAL NOTE

HB 666 - SB 624

March 14, 2003

SUMMARY OF BILL: Exempts alarm systems contractors working within scope of their licenses from oversight by the Board for Licensing Contractors.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant
Decrease State Expenditures - Not Significant

Typically the work of alarm systems contractors does not reach the \$25,000 jurisdictional threshold for licensure by the Board for Licensing Contractors. Therefore, any decrease in state revenues from licensing fees and any decrease in state expenditures for regulation of alarm systems contractors is estimated to be not significant.
